

Good day CM Finch Families,

We have had another great week at CM Finch. The Entrepreneur Fair was the highlight of the week at school. The children did a great job. Thank you to everyone who was able to join us for the event.

School Planning for 2023-2024

As we continue to plan for the start of school in September, I just wanted to remind families to inform the office if you are moving away and will not be starting the school year with us. Families that do not live in our catchment area are required to register with their catchment area school and fill out a variance form with their home school if they wish to remain at CM Finch. We do our best to accommodate any variance requests, but spaces are given to catchment area students first. If you have any questions about this process please contact the office and we are happy to help.

School Affordability Fund

The Ministry of Education & Child Care has provided a *Student & Family Affordability Fund* for the 2022-23 School Year. The purpose of this fund is to support students and families to have a full and healthy school experience.

These funds can be used for the following: food for families, food for students, school supplies, school fees, extra-curricular fees. If you require financial support, please do not hesitate to contact Mr. Lang.
